In search of a private venue, you look to the north and discover the sleek Scandinavian style of the Norway Lounge. Here in the Norwegian Pavilion is a meeting place that can be as expansive as the monumental voyages of Nordic adventurers, or as intimate as a cabin in a warm spruce forest.

In the Northern Lights Room, rich blonde wood stretches across the ceiling, adding depth and warmth to the venue. Ideally suited for a breakfast, cocktail reception, or dinner, it leads to the elegant Fjord Room where the atmosphere is designed for conversation and entertainment such as authentic folk tunes from a lively Norwegian trio or, perhaps, a personal visit by Viking *Chip and Dale*.

The ambiance of the venue finds your Guests at ease, ready to savor a casual reception, elegant buffet, or bountiful spread of the most tempting delicacies prepared and presented by award-winning Disney chefs. Drinks, which may include beer and wine as well as full premium brands and specialty drinks, add to the elegance of the event.

The evening concludes with a sweet surprise: a dessert event viewed from a private veranda on the promenade overlooking the World Showcase Lagoon. Your Guests will sample platters of moist, rich, and delicious desserts and coffees as they experience the premier nighttime spectacular at Epcot®, *llumiNations: Reflections of Earth*.

This is a most incredible grand finale; one that encompasses the entire World Showcase and the skies above. As the fiery glow of torches and sky-piercing lasers reflect on the lagoon, the boom of thunderous fireworks echoes atop an original music score. It is a thrilling visual and aural extravaganza as the skies above the lagoon are transformed into a kaleidoscope of color from thundering pyrotechnic bursts. On the lagoon, images displayed across the Earth Globe tell the incredible tale of our planet before the sphere opens to signal the emotional finale of *llumiNations: Reflections of Earth*.

A warm and inviting venue and a fiery and inspiring finish, it is a special combination that will always find your Guests recalling fond memories of their day in Norway.
